

The Dhance: A Caregivers Search for Meaning

THE DHANCE is a journey into acceptance and realization that God is everywhere, even in my precious wifes cancer. Speaking with many caregivers and from my own experience has led me to understand there are some incredible gifts in our pain. One gift is a level of love beyond what we ever experienced before. I let everything be as it is has become a mantra for me. I have learned I cannot get caught up in grief because I will become totally ineffective and cant be there for Carol. This is my search for meaning and for God. This book is a story of life at its best in the worst of experiences...A love story filled with life skills. - Rev. Beth Ann Suggs, PCC; Unity Minister
