

## Sons of the Father: Healing the Father-Wound in Men Today

I wish my dad and I were closer. When your first child was born, did your father reach out to you with support, encouragement, or helpful advice? Only five hands out of 350 dads at the conference went up. When you were around 11 or 12, I asked another gathering of 150 men, did your dad talk to you in a helpful way--about girls and sex? Only two hands. Its the same everywhere Ive ministered around the world--regardless of nationality, race, age, education, or social status. We men today are abandoned and left unequipped for manhood. The father of Lies capitalizes on our shame and blackmails us into isolation, denial, and a host of bogus cover-ups from money and guns to alcohol, sex, and performance religion. Meanwhile, the true Father of all men has come in Jesus to draw us back to Himself and to the man He created you to be. Heres the map to get you there. Father God wants to be closer to you. Its time to let Him. \*The man who does not honor his father will dishonor his own manhood.\* We wanted men to get sensitive she said, but we didnt want them to get passive.\* A little boy cries from his fathers wounds; a real man cries for his fathers wounds.\* Knowing your father is more important than getting his apology.\* Jesus, show me my dad the way you see him.\* Have you ever said to another man, I need you? \*A man meets Father God not by trying to do it right, but by confessing he cant. \*\*\*A pioneer in the Christian mens movement, Gordon Dalbey has blazed the trail not only to the heart of the wound, but to the heart of the Healer. If youre ready to face your wound, seek your true Fathers healing, and trust His call to manhood, Sons of the Father is for you.
