

The Embers of Hope (Freedoms Holy Light Book 5)

In an effort to discover the Crowns secret military plans and pass the information on to General Washington, Morgan Thomas and his bride Prudence infiltrate Tory gatherings, knowing that the lies they tell could make their motives evident to the enemy and cost them their very lives. As the British pursue the Colonial patriots, all seems hopeless to Robert Chandler as he grieves over the death of his wife. Without her he no longer cares whether he lives or dies, yet he survives while others perish around him. He storms the heavens for answers until the tragic death of a close friend gives him a reason to live and love and hope in God again. Her name is Emily. Washingtons army miraculously escapes the wrath of the British time and again. During these perilous times, Morgans rash young sister Evelyn risks more lives than her own as she searches for a soldier shes smitten with, only to find herself enamored with the far more heroic Christopher Drummond.
