

## The Masters Apprentice

The Masters Apprentice explores several topics: the basic duty of every Christian and every local church, the Great Commission, the discipleship model used by Jesus with the Twelve Apostles, and understanding the numerous spiritual gifts given to the Church. The followers of Jesus the Messiah HaMashiach Yeshua do so, not by only their words, but by a life that is completely surrendered to Yeshua. The Great Commission mandate to go and make disciples includes a process of laying a biblical foundation within our hearts, minds, and lives. The collective body of Christians forms a living organism which is inspired by the indwelling Holy Spirit. When spiritual growth does not occur, when faith is not put into practice in daily life, when the renewal process is hindered, one hurts not only themselves but compromises the health of the local church.
