

Ministry of Presence

MINISTRY OF PRESENCE speaks to the heart of chaplaincy. It deals with the history and definition of chaplaincy as well as the chaplains call to ministry and relationship to his church. Specific challenges within the framework of chaplain ministry such as pluralism, prayer, and proselytizing are also addressed. MINISTRY OF PRESENCE would easily fit in the library of those already in the chaplaincy, chaplain candidates who are preparing for ministry, or anyone who is interested in learning about chaplaincy. The principles presented are not simply theory but have been born out of the context of Whits experience and practicing what he preaches. His insights will encourage and challenge anyone seeking to minister from a biblical perspective in any venue of chaplaincy.
