

Footsteps of the Fisherman

All Christians face the challenges of discipleship, and all feel, at one time or another, that they have fallen short. Focusing on New Testament stories about the Apostle Peter, pastor Scott Walker asks: How does Peter's predicament apply to my life? What can I learn through Peter's experience that will make me a better Christian disciple? In his gentle, thoughtful style, Walker illuminates the theme that it is only through struggle and personal failure that we grow to be stronger followers of Jesus.
