

## Wealth of the Wicked

The wealth of the wicked is stored up for those that have the mind of Christ. The worlds monetary system operates as a function of law as opposed to a function of value. Most act, behave, and believe as though our money has value. Not knowing how negotiable instruments function in the law leaves the members of Christs church weak. The scripture says, My people perish for lack of knowledge. Since 1933, the New Deal and the Fifth Amendment to the Constitution provide the avenue for the church to take back control of their inheritance both individually and collectively, the wealth of world gathered by others. Founding Father John Adams stated, All the perplexities, confusion and distress in America arise not from defects in their constitution or confederation, not from a want of honor or virtue so much as downright ignorance of the nature of coin, credit and circulation. Those who control the worlds assets have divided the identity of the people of the world into those who serve mammon (the mercantile system of world) and those who dont. Each of us now has the power of the law and the authority of Christ to pay off any debt and acquire any property by exercising our inheritance. The earth is the Lords the fullness thereof the world and everything in it. Christ is the heir and we are joint heirs with him. Learn the methods, the law, and angle of perception to take back control of the assets of the earth. I wish above all things that you prosper and be in health, even as your soul prospers. Prosper your soul with knowledge and the peace that surpasses all understanding that comes with the truth that sets you free. The US and the UN have codified in the statutes your access to the secrets of the monetary system, the court system and keeping control of property. Unlimited wealth is available to aid the Body of Christ in taking control of the earth.
