

## Transparent: A Novel for Three-Dimensional Christians

Transparent follows people lost upon the flat Earth of human wisdom to their encounter with Jesus alive in all dimensions. These layers speak in lyrics as well as prose. Though He accepts the simple, God is not simple. Behold, I send you forth as sheep in the midst of wolves: be therefore wise as serpents, and harmless as doves. Matthew 10:16 Transparent blends the stories of several characters seeking fulfilment. Their interior journeys map the hidden shapes of their souls. If you like to think then you owe yourself the chance to journey with them. It may be that their relationships with God will illuminate your own relationship with the Lord of Creation. Transparent is a form of Bildungsroman - a novel about the formation/education/development of its protagonist. Examples include Goethes Wilhelm Meisters Apprenticeship, Dickens David Copperfield, Salingers Catcher in the Rye, Joyces A Portrait of the Artist as a Young Man, and Brontes Jane Eyre.
