

# What Preachers Never Tell You About Tithes & Offerings: The End of Clergy Manipulation & Extortion

Also, please see my newest novel, *The Runaways Journey*. It is book one of a three-part series.

\*\*\*\*\* How much does Gods love and blessings cost? Can you purchase them for ten percent of your income--the famously coined tithe? This book explains to you how the church created the modern financial tithe as a fundraising tool. It systematically dismantles the arguments that are used to manipulate and bully Christians into paying ransoms for blessings that have already been delivered to us by God through Jesus Christ.
