

## The Winter Pearl

In 1888, Colorado was a dangerous place for a girl on the run. But Honor McCall had to escape from her drunken uncle. She never imagined that she'd be rescued by a handsome young minister or find a place to call home in his church. The Rev. Jethro Peters' kindness was more than she could ever repay. So how could she stay on accepting charity while hiding the truth about the danger that stalked her and hiding her love for a man who might never return her feelings? She had to leave, but she just couldn't seem to go and then Christmas brought a special miracle.
