

Womens Spiritual Passages

Each passage of life brings the unexpected. In this extraordinary and diverse collection, women from all walks of life take time to look back on their lives at forty and reflect on the spiritual lessons they've learned. Did they fulfill their dreams? Was it really possible to have it all? How has their faith changed in times of great suffering and great joy? No matter what age you are, you will be encouraged by these women who rely on the grace and sovereignty of a God who never changes.
