

## Yours, Faithfully

A series of poetic conversations with God. Most people at some time in their lives, if not always, experience an inner dialogue between the soul and the Absolute. It can feel boundless and wordless, beyond identification with I and Another. Or it can feel intimate and personal, like letters between close friends. This latest collection of poems from Stephen Wright, seeks to capture that revelation of truth arising in relationship between one and One. Like slow food, please see these poems as slow words. To be read and savoured for layers of meaning, a source of reflection upon the mystical relationship in and with the Divine, meditations on love through the offering, presence and experience of Divine Love.
